The Weather Systems

An overview of the weather System was sent home to inform parents and a copy will be available on the school website. School's Council have gone through the system to ensure pupil voice is considered.

The System works as follows:

- Each day begins with a sunshine page with every child's initials on it.
- The first time that a child does something positive, beyond expectations (linked to learning) then their name will be added to the **Moon**, the second time their name will be added to the **Stars** and the third time to **Tickled-Pink** and they will get a signature in their Tickled Pink Book. The name remains on the board for all to see for the rest of the week. Once they have completed their Tickled Pink Book they are presented with a certificate during Celebration Assembly. To complete their book KS1 need 10 signatures and KS2 need 20 signatures.

- If a child behaves in a way that is not up to the teacher's expectation then their name will be added to the first cloud page. In KS1 & KS2 the name remains there for the rest of the session. At the end of the session this page will be wiped clean ready for new start at the next session i.e. 4 sessions a day.
- If the same child behaves below expectation again then they will be moved to the second cloud. Again, their name will be removed at the end of the session and reset on the sun.
- If the same child behaves below expectations for a third time then they will need to exit the room and be taken to Phase Leader, unless other arrangements have been made (e.g. in special circumstances). A log of all exits will be kept by the Wellbeing Team.
- However, if a child displays behaviour of a dangerous, offensive, prejudiced, violent, is disrespectful to an adult or if the child chooses to exit themselves, then they can be immediately exited based on the teacher's decision, following the same strategy as above.
- Children who are exited will be given a sheet to fill in. This is to be done independently and they are not to disturb the lesson to which they have been sent. If this was to occur the member of Wellbeing would be called to deal with the situation. Decisions about 'next steps' will be made on individual basis, taking all factors into consideration.
- After three exits a child will be given a detention. This can be arranged to happen either before or after school. Parents will be informed and suitable arrangements made.
