

Introduction

Welcome to our first newsletter.

We are Kier Construction and we have been appointed by Cambridgeshire County Council to build and refurbish a new nursery area within Orchards Primary School in Wisbech.

The scheme will provide new dedicated nursery room, breakfast/family space and other amenities.

Who are we?

Kier Construction operates throughout the UK and we are the eastern region, covering East Anglia. We operate from three offices - Norwich, Wisbech and Witham.

The office responsible for this project is the Wisbech office.

Meet the site team

Simon Bates

Contracts Manager

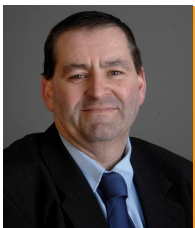

Office based, but regularly makes site visits

Lee Collins

Sub Agent

Office based, responsible for all construction operations

Michael Duncalf

Site Manager

Site based, responsible for the day-to-day running of the site

Working Hours

Our normal working hours are 0730 to 1700 hours Monday to Friday. Occasionally we may have to work at weekends but this will be for exceptional reasons.

Traffic Management Plan

Public safety is paramount to Kier, and we have developed site specific traffic and pedestrian movement routes throughout the site, to ensure the segregation of pedestrians and construction traffic.

Contractors Car Parking

All contractors' vehicles will either be parked in our site compound or in designated off-road parking.

Activities on Site

We commence works on the 1st July 2013 and the nursery area will be completed for the new school year in September 2013.

We will be setting up our site fences and compound at the front of the school entrance.

Normal access to the school will not be affected.

Hi from Kieran

Hi Kids, Kieran here!

I'm Kier Construction's health and safety mascot and I help our Health and Safety Manager spread the word about the importance of health and safety on site. When I'm out on site, I have to make sure I'm wearing my hard hat, my safety boots and my high visibility jacket at all times.

I also sometimes get to visit schools to talk to the children – so you never know, you may get to see me at some point in the very near future!

In the meantime, remember - please keep away from building sites, because they are dangerous places. That means no playing near the site or trying to get in when we have gone home."

Bye for now – *Kieran*

Considerate Constructors Scheme

The Considerate Constructors Scheme (CCS) is a scheme that promotes reducing the impact of construction sites on the local community.

One of Kier's aims on this project is to keep the local neighbourhood informed throughout.

To help us meet this objective, we will issue a newsletter on regular basis. It will include safety bulletins, progress photos, information of interest and forthcoming operations.

If you have any comments on how we can improve, a grievance or just a note of praise we'd love to hear from you. Please use the tear-off strip at the bottom of this newsletter and drop it into our site office at the school entrance.

How to contact us

Thank you for taking time to read this newsletter and we look forward to working with you.

We don't have a site telephone number at the moment, however if you want to contact us in the meantime, please call Lee Collins on 01945 582121. Alternatively, you can call or write to us at our main office:

Kier Construction
53 South Brink
Wisbech
Cambridgeshire
PE14 0RQ

Telephone: 01945 582121

To find out more information about the eastern region of Kier, please scan the QR code or log on to our website:
