Fundraising will either be subject specific / class specific or if school funds indicated funds will be used to pay for school plays. Cake Sales raise money so specifically support that Year group/subject leader to purchase resources not in the school budget. Topic Weeks will have a fair where you can see the learning the children have completed that week. These will be either in the Friday of the week or on the following Monday.

Class Assemblies indicated in red are held at 8.40am on a Friday in Lime Hall and we love it when families of the children come to support them.
